## Notes from Mrs. White

1. Math Homework: Hang in there with the math homework sheets from Eureka Math. I know they can be a little confusing and misleading. It is important that we use them because learning the "language" is important for future grades. I just ask that you try your best and have your child practice the overall idea. ☺ No stress!
2. See you Thursday at the Back to School Night 5-7pm. Fall conference sign ups will be available.

## This week in 1<sup>st</sup> grade

Phonics: learning "Trick Words" (sight words)

Reading Groups: Story Elements- characters, setting (where the story takes place), plot (beginning, middle, and end)

Math: Review Week- missing addends, the equal sign, and number bonds

IB: "Who We Are" review week- reviewing our first IB unit
